parking Issues

Sadly we have been approached recently by several parents who are concerned about the inconsiderate and dangerous parental parking they have witnessed recently on Bosvenna Way (before and after school). Can I remind you that you **must not** park on the double yellow lines or the zigzag lines outside the school. Illegal parking such as this causes unnecessary congestion, a nuisance to our neighbours and most importantly a safety concern for our children. I urge you to reflect on these concerns and to play your part in reducing this problem.

Mr Caldwell and myself will be monitoring the situation regularly from next week but I'm sure after this reminder that we won't have parents who continue to park irresponsibly.

We appreciate your support in this very important matter.

Residential Trips

Just a reminder of the dates, costs and payment dates for each of our residential trips and 6.

6	London	£220	5th June

With Mr Hickman away from school at the moment, please note that Mr Caldwell has assumed responsibility for the coordination of these trips and if you have any queries, please do not hesitate in contacting him.
