HAPPY NEW YEAR

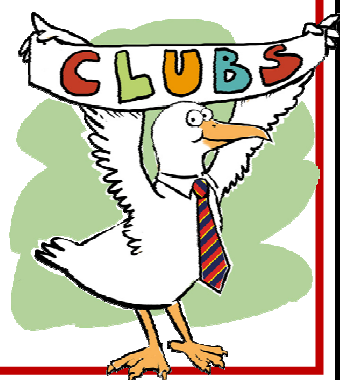

Welcome Back!

On behalf of the staff and governors I would like to wish you all a very Happy New Year and hoping 2016 is happy and healthy for you and your family. The term has started really well, the children have come back with a very positive attitude and have responded very positively to the changes in the classrooms. Next week we will send out some information about the changes we have made to our classrooms and our approach to the curriculum along with an invitation to take a tour of the school with your children next Friday (15th) if you would like to.
