

Heamoor Primary School

Our 'Local Offer' for Special Educational Needs and Disability (SEND)

The information in our Local Offer is here to help parents of a child with SEND see what is available in terms of SEND provision in our school. We know parents want their children to be happy and be given every opportunity to make the best possible progress. Everyone at Heamoor Primary School is committed to this same goal.

Early identification of need indicates a child needs support that is different and additional to the other children of the same age

Everyone works together to put a plan in place to ensure the child can access their learning and make good progress

The plan is reviewed and changed if necessary to ensure the child is happy, has opportunity to make friends and is making good progress

We would always encourage parents to talk to their child's class teacher first but other people to talk to are:

Head	SENCO	KS2 SENTA	Learning Mentor
Mrs Jodie Flynn	Mrs Lesley Osborne	Mrs Carol McCrindle	Mrs Brigitte Barr

Our core offer to all children is to provide High Quality Inclusive Teaching

High expectations for all pupils

Environment and resources to promote independent learning

Well planned lessons with differentiated learning objectives and success criteria as required

Reasonable adjustments and well planned SEND provision in class

Range of effective teaching strategies

Effective challenge by use of varied pitch and pace

Good modelling by adults

High level questioning

High levels of engagement

Opportunity for individual and group discussion

Opportunity for pupils to work independently and collaboratively

Effective feedback to move pupils on in their learning

Encouragement and praise to engage and motivate pupils

Self- peer assessment opportunities

Well trained additional adults effectively deployed

We are a fully inclusive setting with adjustments made depending on need. We provide a supportive environment making available the appropriate resources and accessing any required specialist equipment to ensure all children can access the curriculum. We use our best endeavours, making reasonable adjustments, to ensure all children with disabilities can be included on school visits and residential trips.

The governing body of the school have a legal duty to publish information on the website about the policy for pupils with SEND. This is updated annually.
SEND Governor is Mrs Rachel Leonard

All parents are encouraged to work in partnership with the school. Parents of a child with SEND will have opportunity to work closely with the school's Senco, school staff and outside agencies.

When the needs of a child cannot be reasonably provided from within the resources normally available to school the local authority must conduct an assessment. Education Health Care (EHC) plans will be based on co-ordinated assessment and planning which puts the child and their parents at the centre of decision making. The Senco will support the child and family through this process.
