Farewell Mr Caldwell

It is with great sadness that I have to inform you that Mr Caldwell will be leaving us at the end of this term. As many of you will know, Mr Caldwell lives in Plymouth with his family, and commutes backwards and forwards from there at the weekends, living away from his family during the week. Whilst I know that he loves being a part of our school community, and this has been a very difficult decision for him, the time has come for him to be back with his family fulltime, which I am sure you will all understand and appreciate.

—:—

At the moment we are advertising for his replacement. As part of this, we have decided to take the opportunity to reorganise the leadership structure of the school and therefore from September, we will have two Assistant Headteachers. It is planned that one role will focus on pastoral aspects of the school e.g. safeguarding & behaviour and the other role will have a Teaching, Learning & Assessment focus but this will of course depend on the expertise and experience of the candidates. I will let you know the outcome of the recruitment process in due course.

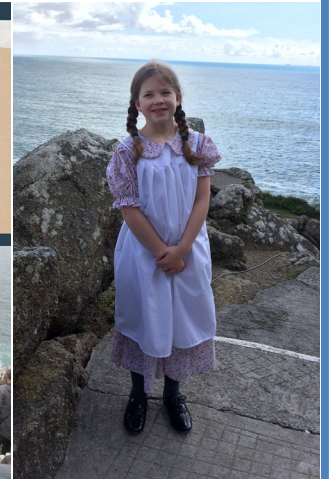

Mrs Flynn

The Y6 children had a great morning of tag rugby at Mounts Bay Academy on Thursday 19th April - participating in the Penzance Pirates' Festival after a 6 week coaching block with their community coach Sam Teasdale. It was all smiles on the day and Hearmoor only lost one of their five games against local primaries- and played some stunning, fluent rugby. A big thank you to Sam for his effort in organising the competition.

Shout out to Aoife!

Aoife has been working really hard over the Easter break. She has performed in 15 shows at The Minack Theatre, taking on the speaking role of 'Joan', a child of the station master in 'the Railway Children'. Aoife has been working with professional actors and has had to battle the changing weather as well as remember her cues and lines whilst performing in evening and matinee shows. We are all very proud of her. Doesn't she look wonderful in her costume too!

Year 2 Space Odyssey

Yellow Class had an incredible experience this morning when Space Odyssey came to visit them as part of their launch for this term's project. They were able to visit all the planets and find out about our solar system. The children absolutely loved seeing all the star constellations, what an amazing opportunity to travel through space!
