Violet Class Assembly

Well done to everyone in Violet Class for the wonderful assembly they hosted for their parents and the rest of the school on Wednesday of this week.

It was great to see some of the art work and presentations you have been completing during your topic

"Do you live to the extreme?"

on display and also lovely to have so many parents in school to share in your achievements.

These are pictures of Shelter Box volunteers helping

Well done also on your first 'public' performance of The Tempest. This will be performed again at The Minack Theatre on 28th February.

Beachcombing with Art Club

On Monday morning Art Club, along with Mrs Jelbart and Mrs Jones, braved the stormy weather to visit Marazion beach. The aim was to collect shells and driftwood to use in an art activity workshop alongside local artist Alice King. As part of the Cornish Treasure Quest project the children have been working with Miss Shelley to design items that represent crabs and sea-life.

The art work will be used in a display, being shown at Archie Brown's on Bread Street in Penzance on Saturday 25th February.

Can we say a huge thank you to all the parents

who have been supporting their children with their MyMaths homework. The homework set supports the work we are completing in class and there is a clear correlation in a higher level of attainment from the children who are completing it.

BBC Radio 2's 500 words competition is back and is open for entries from children of all ages now.

For more information or to enter a story go to www.bbc.co.uk/500words.

Entries must be submitted by 7pm on 27th February.

Football Tournament Results

A big well done to all of the children who took part in the football tournament after school on Thursday.

It was a freezing afternoon but both teams worked hard and played brilliantly, representing the school well.

The red team played their first game against Mousehole and drew 0-0. At the same time the maroon team played their first game against Alverton B drawing 1-1, a great corner being scored by Ethan Leah.

Both teams were unfortunately beaten in their second games. The Reds losing out against Alverton A with a 2-0 defeat. The Maroons team were losing 5-0 against Marazion at half time but Alfie Wilkins scored a blinder in the second half bringing the result to 5-1 at full time.

A big thank you to Mrs Jones, who although was poorly on the day and couldn't attend, organised another great team event. Thanks also to Mrs Jelbart, Mrs Barr and Miss Crosse who stepped in as Team Managers to support both teams..... I wonder if they have thawed out yet?!

"Where's Wally?" on World Book Day 2017

This years World Book Day will be on 2nd March and we will have a Where's Wally theme to celebrate 30 years of this much loved book.

We would really appreciate the children getting fully involved and dressing as either Wally or Wanda.

CLEAR Workshops

CLEAR is a charity that has been commissioned by Safer Cornwall and is currently piloting a three week Primary Healthy Relationship Programme that has been offered to ten schools across Cornwall.

Heamoor is lucky enough to be one of the schools selected and the workshops will take place with children in Year 1 and Year 2 on the following dates: Tuesday 21st February, Tuesday 28th February and Tuesday 7th March.

There will be an information session for parents of children in Years 1 and 2 on Tuesday 21st February from 9:15am—10:15am. This will be a very informal session with tea and cake which will give an overview of the workshops' content, including: online safety, emotional literacy and respectful & healthy relationships.

There will be an opportunity to discuss any worries or concerns you may have about the programme with the Programme Coordinator Cath Hanrahan.
