Science Week

Letters went out this week to let you know about Science week (w/c 14th—18th march). Miss Blayney has launched a competition for the children and she is looking for children to design their own fun and unique scientific experiment. Don't forget—the idea needs to be fun, safe, achievable (with our resources) and suitable for children to take part in of course!

World Book Day

Next week (Thursday 3rd March) it's World Book Day once again! The costumes last year were really creative and inspired so we are looking forward to seeing this year's efforts! This year we are asking for a contribution of £1 which will be donated to our chosen charity. We are also holding a 2nd hand book fair in the Annexe (prices from 10p - £1)
