

## Indigo Class - Topic Enrichment

### Can Magic Grow?

Read It	Write It	Paint It	Build It	Do It
Research how plants and crops are genetically modified (30 mins)	Write a short story set in a magical garden (30 mins)	Paint your own modified plant - what will be its special purpose (1 hour)	Make your own magical flowers (1 hours)	Conduct an experiment to change a plant (its colour, growth) or create a magical potion! (1 hour)
Read a non-fiction book about gardening. (1 hour)	Create a PowerPoint presentation of real flowers v.s modified - which is best? (1 hour)	Using grids can you enlarge an image mathematically (1 hour)	Create a mythical or magical creature (2 hours)	Plant your own seeds for your garden or ours! (1 hour)
Read a magical novel (2 hours)	Write a book review. What characters were in the story? What was your favourite part? Would you recommend this book? (1 hr)	Paint, copy or develop an optical illusion image (2 hours)	Create a junk model magic garden. (3 hours)	Enjoy a country walk with your family and photograph what you see, print your photographs or email electronic homework to <a href="mailto:secretary@heamoor.sch.uk">secretary@heamoor.sch.uk</a> (2 hours)
All enrichment activities will earn you time in your Children's University Passport. The time indicated for each activity is what you will be awarded.
