Attendance

Our overall attendance figure last week was **89.7%** and based on the Ofsted grades (see below)—this would be considered as in line with the “Cause for Concern” - not surprising with all the bugs going around! Hopefully half term will help get everyone back to full health.

Well done to **GREEN Class** for having the BEST attendance figure for last week with **99.2%**

WELL DONE Year 3!

This week, Year 1 have been working hard with their 'Talk Buddies'. Their task was to draw the continents of the world on balloons using maps to help them. They had great fun!

The children certainly enjoyed the unexpected snowfall on Tuesday. They loved to watch the snow flakes fall and even managed to throw a few snowballs too!

Year 6 at Eden

The Y6 children had a super day at the Eden Project - participating in a sustainability workshop (based around the biomes) and finding out about how we source our foods.

This involved a greater understanding of plants and the food chain and how items are farmed; the packaging used; air miles travelled and fair trade.

A grey, cold wet Saturday morning didn't stop an amazing team of staff, parents and children from tidying, chopping, digging, planting and sweeping up in Red Class' garden. **THANKYOU** so much for all your hard work—we are looking forward to our next BIG DIG—look out for the poster!

BIG Dig #1

Look at our **AMAZING** new football kits! Don't the boys look smart—**HUGE** thanks to Mr & Mrs Leah for their extremely kind donation—we are so very grateful to you both

Yellow Class had an amazing time at the Eden Project recently finding out about plants in a fun workshop and exploring the different climates of the biomes. A big thank you to Hollie Dean for being our Parent Helper and coming along with us!

Blue Class Curators!

Blue Class enjoyed an amazing visit to Penlee House Gallery and Museum! We explored what the role of a museum and art gallery is and how the curator chooses and organises donations and pieces of art. We looked at the work of David Haughton and examined the difference between a museum and an art gallery. Blue Class also discussed artefacts and were even allowed to

handle some whilst wearing protective gloves! We had an amazing time and we are looking forward to our own art exhibition at the end of the Spring Term!
