### Yellow Class visit Trevena Cross Nurseries

To launch their new Summer Term project ‘How Does Your Garden Grow?’ **Yellow Class** were treated to a visit to Trevena Cross Nurseries in Breage. The final outcome of their project this term is to redesign the outside area of their classroom.

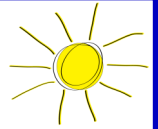

The children were given a guided tour of the garden centre where they were able to find out lots of information about different types of plants. They also took part in an Easter Egg Hunt, had lunch in the play area and were all allowed to choose a free plant to bring back to use in their new school garden.

Huge thanks to all of the staff at the nurseries who gave up their time to make the trip such a special experience for the children.

## Blue Class perform at The Minack Theatre

Wow! **Blue Class** had an amazing afternoon at the Minack Theatre on Thursday 20th April.

They were there to perform a dance they had choreographed for their end of Spring term project 'How Can We Be Healthy (Inside and Out)?' They all performed with great confidence and skill in the gorgeous summer sunshine!

Well done to all the fabulous dancers - a fitting final outcome for our Spring term project.

## Summer Term Lunch Arrangements

As we are now in the Summer Term and so far the sun has been shining, packed lunches will begin eating outside on dry days from Monday 2nd May.

Please can you ensure your children have sun cream and sunhats in school at all times.  
Many thanks.

## Welcome back Mrs Strike and Miss Blayney

**Yellow Class** welcomed back both Mrs Strike and Miss Blayney from their maternity leave this week.

They got off to a great start with a trip to Trevena Cross on the first day back. The children are all enjoying having them both back and their new Summer Project all about gardening.

## **OUTDOOR CLASSROOM DAY**

### Outdoor Classroom Day 2017

On Thursday 18th May Heamoor School will be joining thousands of other schools around the world by taking lessons outside and prioritising playtime.

Outdoor Classroom Day is a day to celebrate and inspire outdoor learning and play.

**Why?** Outdoor learning improves children's health, engages them with learning and leads to a greater connection with nature. Play not only teaches critical life skills such as resilience, teamwork and creativity, but is central to children's enjoyment of childhood.

It's easy to get involved and there is something everyone can do!

## Grass Track Cycling

Please note that there will be no grass track cycling club on Wednesday 3rd May due to the year 4 camp at Porthpean.

## Green Class Residential

On Friday 21st April **Green Class** started the day with a trip to Plymouth. The main part of the day was spent visiting Plymouth Aquarium. Here they learnt about all of the different sea life that live around our coastline.

The group then spent some time on Plymouth Hoe eating lunch in the sunshine and were lucky enough to see an American warship coming into the harbour.

In the afternoon the children played a very competitive game of Football Golf followed by a game of Frisbee Golf.

For dinner they went to Pizza Hut where they had an enjoyable meal before driving back to school where they were to spend the night.

Back at school they snuggled down in the classroom for the evening to watch 'Moana'.
