welcome back

Firstly, we hope you all had an amazing summer break and would like to say a huge thank you to you all for your support in ensuring all your children returned so positively to school, we have been delighted to see so many smiley faces. It is really good to have the children back in school and to also have the school running relatively normally! It was certainly a delight to have all the children together in the hall for the first time in 18 months for our first whole school assembly, we have missed functioning as a school family! The children are also enjoying the chance to have lunch together and play on the playground. Whilst we are enjoying the 'normal', please rest assured that we are still very much working in line with the Government guidance and are still prioritising the control measures of hand washing, enhanced cleaning, ventilation and regular (staff) testing and we thank you for being mindful of any potential covid symptoms in yourselves and your children.

May we also take the opportunity to welcome our new Red Class children and their families into our school community. They have had a fantastic week with Mrs Bradbury and her team and are settling into school well. The children have all worked hard to learn their new daily routines and form or reform friendships. It has been an absolute pleasure to welcome them into our school and we look forward to seeing them flourish during their first year at Heamoor.

**YOUNG LIVES
vs CANCER**
CLIC SARGENT

Run 50 Miles in August

Over the summer break, Miss Crosse, Miss Cocks and Mrs Flynn completed this running challenge to raise money for Young lives Vs Cancer (formerly Clic Sargent), between them they managed to raise an impressive £790.

Well done ladies, an amazing effort!

WE'VE DONE IT

IN 50
AUGUST**

Red Class

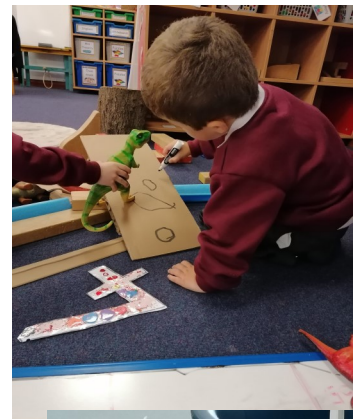

Welcome to Red Class

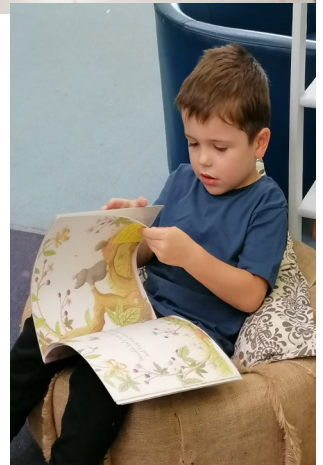

The new Red Class have settled in very well. They have enjoyed making new friends and exploring our areas of learning.

Some children enjoyed designing and building a shelter for the dinosaurs. We talked about the shapes of the blocks, material we could use and even made a ramp so they walk down safely.

Outdoor play has been very popular! The children wore their outdoor suits and wellies to explore the water area. After all the excitement of outdoors we have made sure there is plenty of time to relax and enjoy a story.

ORANGE CLASS

I am so proud of all of Orange Class already! They have breezed into school life with such enthusiasm and happiness and they are really enjoying being part of the whole school community once again. They are already impressing us with their writing skills. This week we started our new Talk for Write text 'The Tiger Who Came to Tea' We talked lots about how we would feel if a tiger really did come for tea and what we would feed him. We are really excited for the year ahead!

I would feed
the tucp tucp food

Daisy L

I would feed the
tigr au the food in
my hands.

I would feed the
tigr chocolat ba

amy

I would feed
the teg aflee

SWIMMING!

Remember it's our turn for swimming from Monday. Please ensure everything is named in a bag they can carry themselves.

The Tiger Who
Came
to Tea

Judith Kerr

isye

I would feed the tigr
a itagh fil.
I would feed the tigr
chilfs.
I would feed the tigr
a btrg.

Yellow Class

Yellow Class have had a fantastic first few weeks back at school. We have enjoyed exploring our new classroom, creating beautiful, detailed paintings of our imaginative pets for our Big Write! We were able to use adjectives to create descriptive and creative pieces of writing.

We have loved starting our new athletics PE unit. We have enjoyed taking part in fun yoga sessions too as part of our PSHE lessons too!

Seascape Art

To launch our new Autumn term project 'Our World' we have been researching the Cornish artist Sue Read and her beautiful seascape creations. We have been recreating our own pastel and pencil designs, using peer-critique to find out how we can improve our artistic skills. Next, we will be creating our own sea inspired paintings, developing our painting skills even further.

Green Class

Green Class have enjoyed a wonderful first couple of weeks back at school. We have spent a lot of time getting used to our new surroundings, as well as creating beautiful self-portraits to help decorate our new room.

We really love our new classroom, and the fantastic new furniture that Mrs Flynn got for us!

In our PSHE lessons this week, we have been discussing different emotions and how to perceive them, as well as talking about what our 'Nightmare School' would be like!

Guess the emotion!

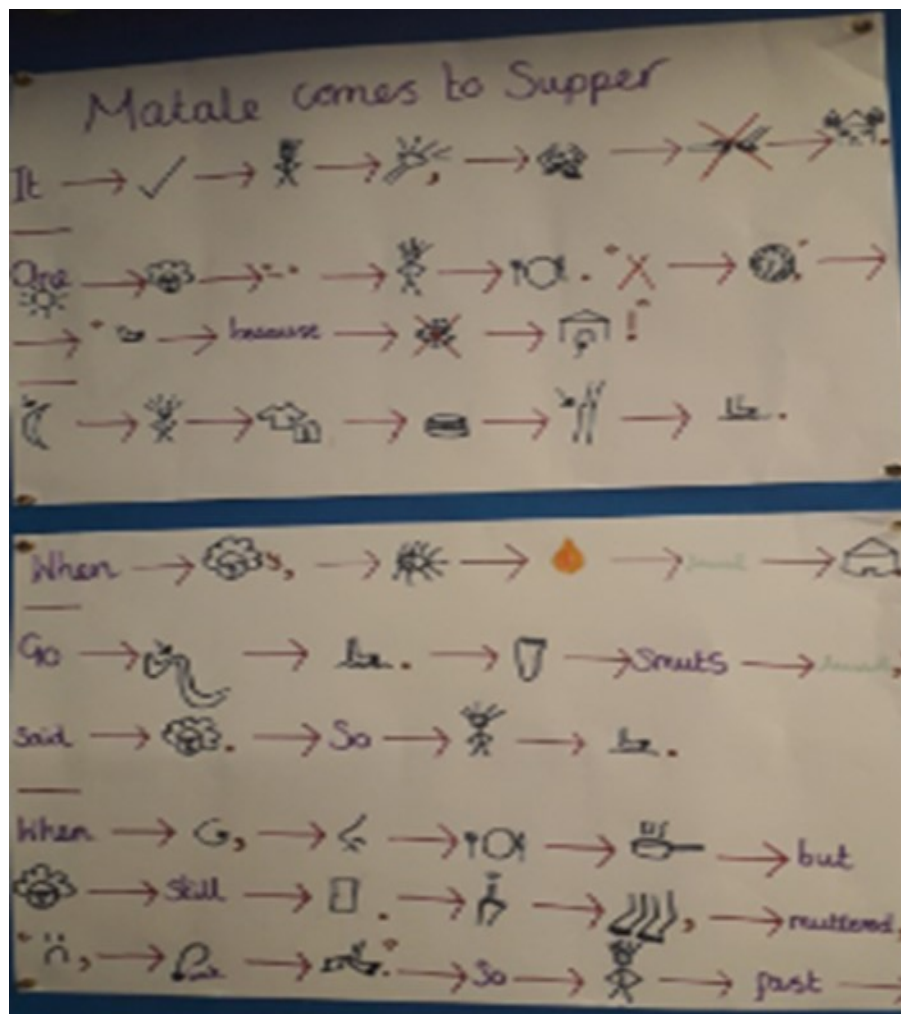

Blue class

We have had a fantastic start to the new school year. This half term our topic will be 'Our World.'

This week the children have been learning the story of 'Matale Comes to Supper,' using the talk 4 writing method. I'm sure your children will enjoy retelling the story to you and demonstrating the actions.

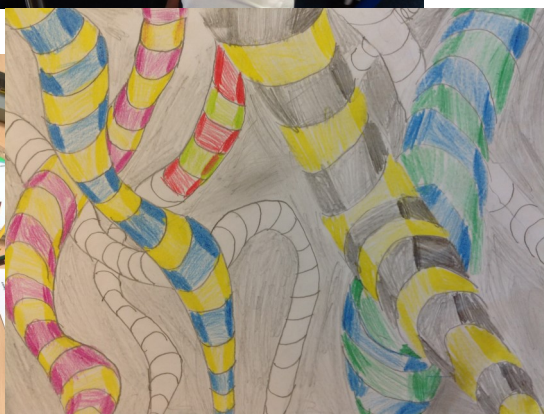

We are really looking forward to an exciting half term and school year ahead.

Indigo Class

Indigo Class have made a tremendous start to the year and have settled in really well.

They have begun working on their first project of the year, 'Our World' and as you can see they have been busy creating some colourful tornado art work.

They have practised shading techniques to get the effect of 3D tornados. Some quite talented children we have, I'm sure you'll agree.

VIOLET CLASS

Violet Class have settled BRILLIANTLY into their new school year. We have already completed SO much learning in our short time in Year 6. We have enjoyed Outdoor Learning in our English by Going On A Bear Hunt in preparation for our writing project involving writing our own children's book! We also participated in a Maths trail and completed our Learn Its outside! In Art, we looked at the work of local artist Seb West and painted our own versions of his painting, Porthmeor Cove. A fantastic start to the year!

MEDICAL CONDITIONS RECORD

If your child has been diagnosed with a medical condition within the last 12 months and you haven't notified the school, would you please let the office know as soon as possible so we can update our records. Thank you.

This weekend, Miss Reeves and her sisters are completing a charity event called "Race the Sun". It involves a 17 mile mountain bike ride in the Lake District taking her up hills and through Grizdale forest followed by a 7 mile hike up a large peak in the national park and to finish a 2 mile kayak paddle.

The charity, **Action Medical Research** is a leading UK charity who fund vital research to help defeat diseases that devastate the lives of sick and disabled children.

Miss Reeves and her sisters are competing under the team name **"Ysella's Robins"** and they are taking part in this event in memory of her daughter, Ysella.

Ysella had an undiagnosed condition which meant that she sadly passed away at the age of 6 years. Medical research is so vital to help children like Ysella. If you would like to donate please use the link address:

<https://www.justgiving.com/fundraising/chloe-reeves3>

Thankyou!

We will share how Miss Reeves got on in our next newsletter.
