

Tuesday 9th February 2021

Today, we're going to recap the homophones:
there/their/they're. Remember the top tips...

There - position

Their - belonging

They're - they are

Using the picture below, write sentences which use *there/their/they're*.

Check that you have written the correct spelling in each sentence.

Challenge: Can you write a sentence with 2, or all 3, of the spellings in it?
