## Christmas Fun

It's been a very busy Christmas season again at Heamoor. A great big thank you to everyone who sent in donations of Jolly Jars, cakes, tombola items and raffle prizes for our school Christmas Fair this year and thank you also to those of you who attended the fair last week it was lovely to see you all. The atmosphere was lovely and we are delighted to have raised a grand total of £777 which is **AMAZING** and will be put towards renovating our outside spaces.

Thank you also to everyone who supported our Red Class Nativity on Monday afternoon and those of you who Carol Service at Chapel Street Methodist Church, the children were just brilliant in both of these performances.

We feel very proud of them. The door collection raised a very generous £164 so thank you for that also. The children enjoyed a very yummy Christmas lunch last week (Huge thanks to the kitchen staff!) Last Friday we raised £109 on Christmas Jumper Day in aid of 'Save the Children' followed this week by cinema trips on Monday.

Yesterday the children had the pleasure of Mr Hinchliffe's Christmas sing along followed this morning by our Christmas assembly which ended with our traditional party games involving the staff—it's a good job they're good

# Learning Behaviour: Being Reflective

## Gary the Gorilla (Reflectiveness)

being ready, willing and able to become  
**MORE STRATEGIC ABOUT  
LEARNING**

### Planning

you think about what you want to get out of learning, you plan the steps you might take, you access which resources you may need

Revising  
you are ready to revise your plans as you go along, monitor how things are going, change your plans when you've had a

better idea

### Distilling

you mull over experiences, draw out useful lessons from experiences, think about where else you might use these lessons

### Meta-Learning

you are interested in how you learn as an individual, know your strengths and weaknesses as a learner, are interested in becoming a better learner

Yellow Class had an  
**AMAZING**  
experience watching  
our 3D Pudding  
Lane catch fire. It  
was incredible to  
watch the flames  
begin and slowly  
burn down. We  
discussed what it  
must have been  
like in  
London during and  
after the fire. What

also have lots of other plans to make the lunchtime experience more pleasurable including new tablecloths, music in the dining room, new plates/bowls, improved salad bar and a new role for our older children to undertake.. What this space!
