

Tuesday 2nd June 2020 - EXAMPLE Plan for the Day

Read for ten minutes

This week I would like you to recap the sounds we have learnt so far.
Please use the link on the phonics page for the songs.

Follow the link on the phonics page

Can you complete one of the 'Reading Activities' each day please?

This week we are having a go at questions! Try the activity on the
'Writing Support Page.' There is a different book character for
each day.

Maths is White Rose - This is already downloaded on the maths page
with the videos.

Writing- Use the picture below. (Next page down.)
Use your imagination to think about the following key questions:

Where is this?
Where does it go?
How would you feel travelling along here alone?
What would you be travelling in?
How will your journey end?

Science - Learn about floating and sinking! Follow the link on the
'Wider Curriculum Page'

Bonus challenge: create a chart to predict which items will float and
which will sink before you do the experiment! Were your predictions
correct? Let me know!

Listen to chapter 30 of our class story 'Fing' and have a little
treat.
