

Monday 6th July 2020 - EXAMPLE Plan for the Day

Read for ten minutes and practise common exception words!

I have videoed the sounding and blending section of a phonics lesson for each sound this week. You will find these on the phonics page. I am going to go over phase 5 for consolidation. It is important that we keep re-visiting the sounds the children have learnt so far. Today we will be re-visiting 'ea' Please sound, blend the words and have a go at writing each word.

This week we will be writing questions. Each day you will have a picture of a person. Can you write two questions you would ask that person if you met them in real life?

Maths is White Rose - This is already downloaded on the maths page with the videos.

Writing- This week we will be carrying on with the Talk for Write text 'Brian Bear's Picnic'

Please follow the link on the writing page to download this.

Today I would like you to read the thank you letter on page 13 and have a go at writing your own.

Project: This week our afternoon project work is going to be about Cornwall. Can you find out about Pendennis Castle and write five facts you have learnt (and draw a picture!)

Listen to our poem a day on the poetry page! (I am sorry for the lack of them last week.) There are lots to choose from now!
