

Monday 8<sup>th</sup> June 2020.

Complete the 'Number and Place Value' Maths sheets. Sheet 1 is the normal sheet and sheet 2 is a **challenge!**

Read the Penguin comprehension sheet and answer the questions on the next page. Use your internet research skills if needed!

Visit

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Select the 1-100 chart and see if you can make a pattern for the 10x and 5x tables. **If you want a challenge, try the 4x and 8x tables instead!**

Would you rather go to a theme park or a water park? Draw a picture of your favourite!
