

Blue Class jobs to do w/b 08.02.2021

Please note: All of the resources you need for these activities are saved as pdfs, under the relevant sections, on our [Blue Class Home Learning](#) page (wb 08.02.2021). Any weblinks you need are also saved there, too. Scroll down to see what is available for this week.

NOTE: for Mon/Tues/Wed, please ask your child to complete the 'reading' task before the writing, as it will then support them with completing the writing activities.
