Trengwainton Lantern Walk

Indigo class have been asked to make lanterns for this year's Lantern Walk at Trengwainton gardens. This will take place on:

Friday 6th and Saturday 7th December 2019.

As this is hugely popular we have been asked to give you advance notice of when the tickets go on sale as they're likely to sell out even more quickly than they did last year.

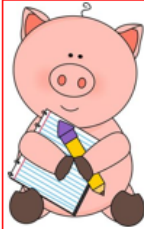

Tickets for admission to the Lantern Walk and visits to Father Christmas are on sale now!

At Heamoor School reading is at the heart of our school. The amount of children that read for pleasure is declining, particularly amongst boys and as they get older. Children in KS2 will be taking part in a survey this coming week to help us see what their reading habits are like at home. We will be sharing the findings of these with you shortly.

Did you know?

Parent engagement is essential in encouraging reading for pleasure and that children are influenced by what they see at home?

Reading for pleasure can boost social and emotional well-being?

There is a positive relationship between how often children read, how much they enjoy it and their overall academic achievement.

We already have very high expectations for reading at Heamoor School and children's out of school reading habits are being monitored closely.

With your support we will create a school community shared culture of reading for pleasure and empower children to read widely and frequently.

All Red Class Parents Welcome.

Swimming Costumes

Mrs Barr has asked for any swimming costumes or swimming shorts that children have outgrown, but are still in good condition. We are trying to have some sets available for swim lesson emergencies.

CAN YOU HELP?

If any parents or grandparents can spare some time during the school day to listen to children read then please see Miss Cocks or Mrs Osborne.
We are looking for regular volunteers.

After last years success we have decided to support the wonderful work of the Rotary Club and support them in their shoebox scheme. This scheme has been operating for over 25 years and has delivered over one million boxes to places such as Ukraine and Romania. If you would like to support this campaign then please collect a box from Mrs. Osborne. A list of items which can be added is provided on the box itself or can be found at:

Violet Class spent a day at Mounts Bay Academy and Humphry Davy School and had great fun trying to work out whether the moon landing was a hoax or really happened (the jury is still out!). We also explored chemistry and learned how to use Bunsen burners safely and tried a range of sporting activities too. During Art, we completed

Violet Class were also Geographers this week —looking at erosion and sea stacks. Our learning within our topic came in very handy and we impressed the teacher with our knowledge and vocabulary whilst in the lesson! Very proud!

Drama classes meant we were spies in slo-mo and acted out some well-choreographed scenes. We also saw hearts and lungs up close and were Lego engineers! What an amazing week of fantastic experiences!

**until 12.30pm to help your school continue to
develop the outdoor environment.**

**We will be digging, pruning, weeding and
planting so wear work clothes and bring garden
tools and muscle power.**

Donations of plants and cuttings will be appreciated.

school each day. We have had an increasing amount of children coming in the rain without suitable clothing for the weather.

Halloween Disco. This will take place on the evening of Tuesday 29th October. We will need helpers during the afternoon on this day.

LEGO APPEAL

We have had an amazing response to Lego Club and the children have enjoyed making their own wonderful creations this week!

With such a high level of interest, we would LOVE it if anyone has any spare Lego they would be willing to donate to the school!

A few bricks, any size Lego tyres, a base plate... we would greatly appreciate ANY spare Lego for our new club!
