Attendance

We are currently monitoring the attendance of all our children very carefully. We do understand that there is still some uncertainty around certain symptoms and advise that you follow the guidelines we sent out yesterday regarding keeping your children at home if they have Covid 19 symptoms. Please continue to let the office know if your child is unwell by phoning our school office on: 01736 364868

Thank you for your ongoing support.

WELCOME RED CLASS!

After a very different transition we warmly welcome the children of red class and their families to our school community.

What a fantastic week Red Class have had settling into Heamoor School. The children have all worked hard to learn their new daily routines and have worked well to reform friendships. It has been an absolute pleasure to welcome them into our school and we are all very excited to begin our first class topic, 'Marvellous Me' next week. We look forward to seeing them flourish during their first year at Heamoor.

Well done!

It's good to be back!

Firstly, we would like to say a huge thank you to you all for your support in ensuring all your children returned so positively to school. This last couple of weeks has gifted us with what we have all been waiting for...our amazing children back in class! We have returned to school after the longest period of school closure we have ever known and have been delighted to see so many smiley faces. A great deal of time and effort behind the scenes has gone into ensuring that the school was safe and ready for your child's arrival. We would like to say a big thank you for your support and consideration for others around our school site, and for your support in getting to school at the correct times for drop off and collection.

It is important to say that whilst many parts of the school day have had to change in terms of organisation and safety, the most important characteristics of Heamoor School have remained unchanged. The secure and stable relationships our children have with staff (and each other!) have really shone through, enabling a smooth transition for your children. Staff will always put your child's wellbeing first, and understand that there will be varying levels of anxieties along the way. It's good to be back!

It is important that we all take responsibility for the safety of our school community and their families. Please help us improve our safety by supporting us with the following:

- Please continue to ensure you are dropping off and collecting during your 15 minute slot.
- Continue to adhere to the one way system.
- Please use the first set of steps when accessing the bottom playground at the end of the day. (Allowing the children to safely use the wide steps with their class teacher.)
- Please keep your children with you at all times. Please do not allow children to use the playground climbing equipment or trim trail at the end of the day.
- Children need a named water bottle each day, long hair also needs to be tied back.

Please be kind and patient to school staff, if you are unsure of something they are more than happy to help!

♥ welcome back ♥

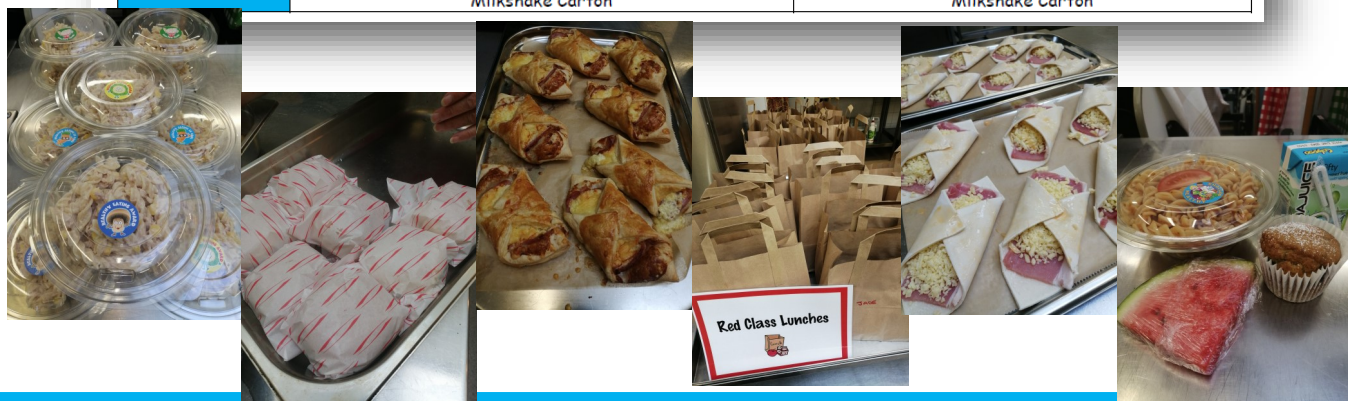

Although we have had to introduce a slightly different menu than normal; our school kitchen, or Rainbow Café as its known in school is producing some very tasty food for our school packed lunches.

Below is the menu we are currently running (*in case you missed it*) and some photos of the food the children have been enjoying.

AUTUMN TERM 2020 MENU

Friday	Jumbo Fish Finger <u>or</u> Quorn Dippers Chips Custard Biscuit Fruit Milkshake Carton	Battered Fish <u>or</u> Veggie Sausages Chips Shortbread Biscuit Fruit Milkshake Carton

COMPETITION WINNERS!

At the end of the summer term many children across Penzance entered a writing competition run by The Edge of the World bookshop. Millie won a token as a runner up and Solomon was the overall winner! Well done both, we are glad you had fun spending your very well deserved vouchers.

Well done!

A reminder that children from Year 1 to Year 6 will continue to use Class Dojo. This will be a way of teachers communicating messages to you when needed as part of the class story. Please make sure you are signed up, if you have any problems then let the office know. The messaging facility is still available for non-urgent enquiries, however, if you have an urgent enquiry or one which is more sensitive then please make an appointment to see your child's class teacher.

We cannot accept absences through the message facility. In this instance you still need to make contact with the school office.

Reception class do not use Class Dojo due to the use of Tapestry. If you need to speak to Mrs Trenerry then please send your enquiry to secretary@heamoor.cornwall.sch.uk and it will be forwarded on to Mrs Trenerry.

Year Six Surfing

Violet Class had an AMAZING day surfing! The children were brilliant all day – they caught lots of waves, rode them in, kept persevering when they fell off and offered each other support and encouragement.

A special mention must be made for Alfie who had kind, encouraging words to say to everyone, Leo who helped others when they were stuck, Sid for his brilliant attitude and Lucaz for his perseverance.

Everyone was brilliant – what a fantastic first trip as Violet Class! Miss Shields and Miss Crosse were SO proud of you ALL!
