

30<sup>th</sup> September 2019

Dear Violet Class Parents,

I hope the children are continuing to use the Times Tables Rock Stars website to increase their fluency and improve their mental recall. Just to remind you of the tables focus for each week, please refer to the following chart:

Autumn 1	Times Table Focus	Autumn 2	Times Table Focus
Week 1	No tables	Week 8	Science Week
Week 2	2, 5 and 10	Week 9	4
Week 3	3	Week 10	8
Week 4	6	Week 11	12
Week 5	9	Week 12	12
Week 6	12	Week 13	ALL
Week 7	11	Week 14	ALL

Remember, the website can be accessed through any PC or laptop or you can download the free App and use it on an Ipad or phone. Children will be using the "Garage" section for the times tables set by the class teacher. The test on a Friday will be a mix of multiplication, division and using known facts to answer trickier questions.

Thank you for your continued support,

Miss Shields
