Welcome

Welcome to Mounts Bay

My role, alongside the Head of Year for the Class of 2025 Danielle Walters, will be to help guide your child and support you throughout your journey at our school.

As such I will now be in regular contact with you throughout the next few weeks as we investigate ways that we can safely bring your child into our learning community before we start in September.

Our first step is a few fun tasks for your child to do. We want to create a class collage, so please ask them to draw a self portrait on the blank card provided. Then take a photo of it and email it back to me with the name of your child in the message. Also complete the "About Me" form ready for us to collect when we visit your Primary School.

I can't wait to see their work. Until then, stay safe and well. I will write to you again with more information soon.
