I wonder...

What do you think the Lighthouse Keeper might like to say to the villagers  
after they helped him out?

Fill in the speech bubbles to record your ideas.

# Now...

Use your speech bubble ideas to put together a letter to the villagers.

You could use of the ideas/words in the example letter to help you.

Think carefully about the Lighthouse Keeper character and which words he might use.

Look at how a letter is set out on the page.

Dear Friends at the Tavern,

I wanted to write to you to express my deepest gratitude for your help and support regarding the incident that took place last night.

I am ashamed to admit that before then I had not considered myself part of the community, nor did I very often care to venture out amongst you all. Regretfully I had formed my opinions based on uneducated and selfish judgements, for which I am truly sorry and I do hope you will accept my apology.

The way in which you did not hesitate to appear and assist last night, even without my asking, has proven a humbling lesson to me and one which I shall never forget. Your community spirit, your concern for the welfare of our village and myself and your quick thinking leaves me forever in your debts.

Looking to the future, I do hope to see much more of you all.

Sincerely, thank you.

The Lighthouse Keeper.
