

Wednesday 1st July 2020.

Continue with 'The Shopping List Challenge' on the class page. This task will be the main Maths task set for the week so spread the work over the whole week rather than feeling like you have to do it in one day.

Find out what the word **equality** means and why it is important.

Make a parachute for an egg/toy. Think back to when we did this during Science week and make sure you use materials you think will **protect** the egg/toy. Will it survive the drop to the floor?

Practise your times tables!
(**bronze** - 2x and 10x, **silver** - 4x and 5x, **gold** - 3x and 8x - see if you can do all of these!)

Enter the 500-word story competition! All information on the website link below:
<https://500words.me/>
(optional)

Read for at least 10 minutes.
