Dear Parents/Guardians,

Re: Increase in School Lunch Prices

I hope this letter finds you well.

I am writing to inform you of a necessary change to our school lunch prices, effective from Monday, April 15th, 2024. After careful consideration, the decision has been made to adjust the cost of school lunches from £2.30 to £2.50 per meal.

We understand that any increase in school expenses can impact families, and we want to assure you that this decision was not made lightly. The primary reason for this adjustment is the rising costs of food supplies, which have been steadily increasing over recent months. Despite our efforts to maintain the price of school meals for an extended period, the current financial climate has now compelled us to implement this adjustment.

Please be assured that we have explored all possible avenues to minimise the impact on families whilst ensuring the continued provision of nutritious and high-quality meals for our children. We remain committed to offering balanced and affordable meal options that meet the dietary needs of our children and have kept the increase as minimal as possible.

We understand the potential impact this change may have on your family budget and sincerely appreciate your understanding and support as we navigate these challenging times together.

If you have any questions or concerns regarding this change, please do not hesitate to contact our school office.

Thank you for your support with this matter.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Jodie Flynn', is placed over a light blue rectangular background.
