

## **'Scarecrows at Trengwainton'**

Dear Parents,

As you know, Indigo Class visited Trengwainton Gardens recently and met with a local artist for the first phases of this year's scarecrow project.

I have now heard back from him with regards to the characters that have been chosen for this year's theme of 'What I Want To Be When I Grow Up...'

We are asking for any donations that you can muster in order to make the scarecrows. Clothes that are needed for all scarecrows are as follows:

**Plain pillow cases (no patterns); tights - skin coloured (nylon or wool); plain leggings (any colour); long sleeved tops (any colour); gloves; wigs; footwear.**

Clothes/props needed for the specific characters are shown in the table below:
