This term schools across England have received "Little Monkey" by Marta Altés in a special Time to Read pack. Through the Book Trust's 'Time to Read' programme, every Reception pupil in England has been given their own book to treasure and share with their family at home.

Little Monkey, tells the empowering tale of a little monkey who thinks she is too small for big

adventures, but bravely heads off to climb to the top of the tallest tree in the jungle. This book shows us that the world is a big, wild and wonderful place, where anything is possible.

We hope you are enjoying your new book Red Class!

London's Burning!

For the past 2 weeks, Yellow Class have been busy researching the structure and materials used to make the thatched houses from the time of The Great Fire of London (1666). They then used mixed materials to design and make their own 2D houses complete with flames!

The children had lots of fun creating and the finished display looks amazing!!

Next step will be creating a 3D version for their final project

WELL DONE YELLOW CLASS!!

Next week, a professional photographer will take photos of all 13 school window displays and there will be voting stations in
