

Red Class News

Friday 24th May 2019

This week we have capped off a fascinating half-term by enjoying our very first sports day. The children all raced fantastically and really enjoyed the day. We even had a session of yoga in the afternoon! Everyone showed amazing sportsmanship too and really cheered on their classmates.

Next half term our topic is 'Animals'. Each week we will be looking at a different type of animal which we are looking forward to learning about. During the course of the half term we will be exploring the possibility of an animal-related trip so if there are any parent helpers who would be willing to support the staff then this would be much appreciated.

Writing weekend challenge:

Can you find 5 things around your house and write them down e.g. cup

Special challenge: Can you write a sentence that describes a dinosaur?

In your child's book-bags this week are two booklets which can help your child over the half-term break. One is maths related and is there to support the children with their number formation.

The other booklet is about pencil control and phonic practise.

Maths weekend challenge:

Tell a grown up what is 'one more than' the following numbers: 2, 4, 6, 8, 10

Special challenge: Can you tell a grown up what is 2 more than 19?

Have a lovely half term,

Mr Savage, Miss Graham, Mrs Rudlin and Miss Reeves.
