

Red Class News

Friday 22nd March 2019

This week we have been looking at medical staff within our 'People that help us' topic. In particular we have been focussing on the roles that doctors, nurses and paramedics have in helping us and keeping us safe. We have been writing words and sentences all week about doctors and nurses and the children's writing is really showing progress so thank you for all of the hard work that goes on at home. That extra practise is invaluable.

In maths we have been working hard to correctly form our numbers from 1-10, particularly tricky ones like 2, 3, 5 and 8 and the children have a booklet with them this week to enable them to practise further at home.

Writing weekend challenge:

Can you write any words containing the sounds a, u, I, o, u, t, s, p or n?

Maths weekend challenge:

Can you work through the number formation booklet given this week?

Home weekend challenge:

Can you dress yourself without grown up help?

Underwear shout out!

If you have any spare pants, socks or tights at home it would be fantastic if we could build up a store of underwear in school in case of emergencies!

Thank you.

'Making area'

Our making area has been a huge hit! Thank you much for bringing in any boxes or plastic bottles from home to help us stock it. This is an ongoing area now so any further donations in the future would be most welcome. Thank you.

Please make sure your child has their wellies in school everyday.

Please could we ask that children have a couple of pairs of spare clothes in their bag each day, this helps us if we need to change your child after their muddy adventures! Please make sure you include lots of socks!

Have a lovely weekend,

Mr Savage, Miss Graham, Mrs Rudlin and Miss Reeves.
