Watch the first part of the Space Monkey video again until 3:30.

Write a paragraph to describe the last part of the chimpanzee's journey back to Earth.

You could also include a part about the chimpanzee looking at the black and white photo – what memories does this bring up?

Make sure to use your DADWAVERS sentence openers to add interest.

You could use some of the ideas/words on the next slide as a starting point.

Nervously,	Blinking	In the night sky	Faster than...
Cautiously,	Remembering	Far ahead	
Suddenly,	Soaring		
Gradually,	Gazing		
Sleepily,	Staring
