

# Come and Visit Where I Live!

Create a leaflet to persuade someone to visit where you live.

Think about places that people might want to visit or anything that it is famous for.

Remember that the leaflet needs to persuade, so think about persuasive phrases and positive language that you could use.

Use the space below to make notes and plan your ideas, then create your leaflet using plain paper, or on a computer if you have one.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
