LEARN ALONE AND WITH
OTHERS

Interdependence

you know how much interaction you need with others to assist your learning, you make informed choices about working on your own or with others.

Collaboration

you manage your feelings when working with others, you understand the ground rules of team work, you are able to work effectively as part of a pair or team.

Empathy and Listening

you put yourself in other people's shoes to see the world from their point of view, show you are listening by eye contact and body language, hear feelings and thoughts behind someone's words.

Imitation you are ready to learn from others, notice the approach and detail of how others do things.

This week years 3, 4, 5 and 6 performed 'Children of the World'. We have been really impressed with their knowledge and enthusiasm during rehearsals and they really did themselves proud on the day. Each class has worked extremely hard to perfect their part of the play and they really came together to make an amazing production. A big thanks to

parents for supporting children with costumes and lines at home and for the staff for all their hard work.

Well done!

We were so very proud of the children in EYFS and KS1. This week they performed 'Jesus' Christmas Party' twice in one day and they were truly brilliant. There were so many highlights throughout both performances and we were astounded that some of our youngest children spoke so clearly and confidently in front of a packed audience. We are very grateful to parents for providing costumes and would like to thank Mr Hinchliffe for his help in preparation for performance day. They all sang their little hearts out and got us into the festive spirit. **Well done!**

Curriculum Focus

Modern Foreign Languages

Curriculum Intent

Teaching Modern Foreign Languages helps students have a better understanding of the world around them and have respect for other cultures. The study of a foreign language helps pupils to become global citizens.

Spanish lessons at Heamoor

Miss Crosse teaches Spanish every other week and the pupils really look forward to their lesson. Our Spanish lessons are full of singing, role play and games and they enable the pupils to both listen to and use the Spanish which they are being taught.

Green class trying some Spanish tortilla.

European Day of Languages 2019

This September we celebrated the European

Indigo class during a Spanish lesson.

Day of Languages. Every class was allocated a different country (not only from Europe, but from around the world) and the pupils spent the afternoon learning about their country in more depth. Spanish food was
