

Thursday 2<sup>nd</sup> July 2020.

Continue with 'The Shopping List Challenge' on the class page. This task will be the main Maths task set for the week so spread the work over the whole week rather than feeling like you have to do it in one day.

Join Miss Mathews, Mr H and the rest of Green Class on **Zoom** at **10.30am!**

Design your own superhero with superpowers. See if you can make this **unique** and unlike any other known superhero!

Write a diary entry from your superheroes point of view. Make sure you write this about a really exciting day they've just had, using their powers. Make sure you use the past tense, first person and ambitious vocabulary.

Watch the following video about light and shadow:

<https://www.bbc.co.uk/bitesize/clips/zshxpv4>

Go outside at different times of the day and see how your shadow changes.

You may want to draw around your own shadow on the ground using chalk, measure the length of a shadow of take photos. What do you notice? **(I hope it's sunny for you!!)**
