Step 9

Fractions of a Whole

I can tell you fractions equal to 1, e.g. two halves, three thirds, four quarters, etc

Remember To:

- check that the parts are the same size ('equal') as each other
- check that we have all of the parts
- check that we have a whole one
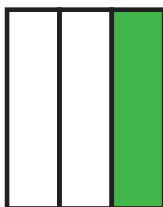

## Tick the Fractions That Are Equal to 1

= **1**

☐

$$\frac{2}{3} = 1$$

☐

= **1**

☐

= **1**

☐

0   1

= **1**

☐

= **1**

☐

$$\frac{5}{5} = 1$$

☐

= **1**

☐

$$\frac{1}{2} = 1$$

☐

Remember To:

- check that the parts are the same size ('equal') as each other
- check that we have all of the parts
- check that we have a whole one
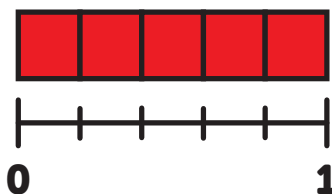

Tick the Fractions That Are Equal to 1
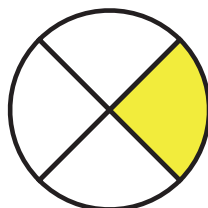

= **1** ✓

$\dfrac{2}{3}$ = **1** ☐

= **1** ✓

= **1** ☐

= **1** ✓

= **1** ✓

$\dfrac{5}{5}$ = **1** ✓

0   1

= **1** ☐

$\dfrac{1}{2}$ = **1** ☐
