

Home Learning Grid – Year 3

Read/Research it	Write it	Paint it	Build it	Do it
Read a story to someone and make all the voices of the characters come to life!	Write a letter to Miss Mathews or one of your school friends.	Draw a picture of your favourite animal and label it. Can you write sentences to describe how it looks, moves and sounds using adjectives, verbs and adverbs?	Make some playdough and build an animal. https://www.bbcgoodfood.com/howto/guide/playdough-recipe	Do 3 household chores!
Learn how to say hello in 5 different languages.	Have a go at continuing a story after the end of the book. What might happen next?	Draw a view from one of your windows.	Using recyclable materials, design and create a small boat that can float on water.	How many times can you throw and catch a ball with a family member without stopping?
Make a family tree. How far back in time can you go?	An alien is knocking at your door! What do you do next? (Put it into story form)	Paint a picture of Geevor Tin Mine.	Build a den. How many people can fit in it?	Sit quietly and write about what you can hear, smell, see, touch and taste.
Challenge Learn to say the alphabet backwards!	Collect some jokes and make a joke book (see if you can make your jokes funnier than mine!)	Choose one shape. Draw a picture using only that one shape.	Design your own board game. Think about the fun board games you have played before and take ideas from these to make your own!	Create a dance to your favourite song. Think about balances, shapes and travelling. See if you can teach this to somebody else in your family.
Read some books on 'myON' https://readon.myon.co.uk/index.html	Write a short story that includes a giraffe, a panda and a yoyo!	Find and follow a drawing tutorial online.	Collect some nature items and make an Andy Goldsworthy picture or collage. https://theimaginationtree.com/inspired-by-andy-goldsworthy-natural/	Visit the Louvre online! https://www.louvre.fr/en/visites-en-ligne
