

UFO

Questions to consider:

- Where did the UFO come from?
- Who – or what – is controlling it?
- Why are they taking the tricycle?
- Who does the tricycle belong to?
- Why was the child here alone?
- How is the child feeling?
- What will happen next?

Choose one of these writing opportunities:

- First person account from the child's perspective
- First person account from someone/something else's perspective
- Newspaper article about this event
- Tweets and/or text messages from several witnesses
- Police report of the event
- Government advice to parents about keeping their child safe in these dangerous times
