

Wednesday 10th June 2020.

Complete the 'Number and Place Value' Maths sheets. Sheet 1 is the normal sheet and sheet 2 is a **challenge!**

Complete the read with ERIC on the next page (watch the video first).

True or false?

- You would use millimetres to measure the height of a house.
- All numbers in the 2x table are even.
- $2 \times 8 = 4 \times 4$.

Choose a book character. If you could give them a gift, what would it be and why?

https://www.youtube.com/watch?v=Td_BpE4DDXA

Watch this video and see if you can draw a minion!

Read for at least 10 minutes.

Read with ERIC:

The birds are determined to get the food. What could determined mean?

What food do the birds try to get?

Where does the worm come from?

How does the animator show how the birds are feeling?
