Working Scientifically <u>at Heamoor School</u>

- 1. What am I trying to find out?
- 2. What do I think/predict will happen?
- 3. What materials do I need?
- 4. What steps will it take to complete the experiment?
- 5. What happened?
- 6. What did I find out?
- 7. Can I do it again?
- 8. What can I do differently?
- 9. What do others say?

(Scientific theory)
