

# Home Learning Grid - Year 3 W/B 06.07.20

Read/Research it	Write it	Paint/Draw it	Build it	Do it
Read some books on 'myON' <a href="https://readon.myon.co.uk/index.html">https://readon.myon.co.uk/index.html</a>	Write a letter to someone who <b>doesn't</b> live near the sea (this can be an imaginary person). List all of the <b>positives</b> about living in a seaside town.	Paint/draw how you are feeling. Can you add some words in Spanish to help show how you are feeling?	Build a stable bridge that reaches from one side of your sink to the other. Test the <b>stability</b> by using toy cars (or similar) to drive across. Will the bridge hold the weight?	Imagine you won the lottery! What would be the <b>top 3</b> things you would buy first? Can you find out the prices of these 3 items?
Find some interesting facts about a topic that interests you. This could be a sport, a country, a period of time, an animal etc!	Imagine someone has used a shrink ray on you and you are now the size of a <b>bee</b> . Write a diary entry about your day and the adventures you got up to!	Draw/paint a picture of The Mousehole Cat. Read the story if you have it at home!	Design the house of your dreams! What will it include? A swimming pool? A football pitch? Afterwards, write a short paragraph explaining what you included and why.	Draw a maze on a piece of card (or paper). Find a paperclip and a magnet and see if you can lead your paperclip through the maze (like we did during Science week!)
Use the internet to research <b>Martin Luther King Jr.</b>	Write about <b>Martin Luther King Jr</b> - who was he and what was the important part he played in history?	Draw a portrait of <b>Martin Luther King Jr.</b>	Create a Roman mosaic of a familiar object. Cut coloured paper into small squares and get collaging!	Listen to and sing along to the Colorín Colorado song <a href="https://rockalingua.com/videos/colors-and-numbers">https://rockalingua.com/videos/colors-and-numbers</a>
