

Parent Information Booklet 2019-20

Violet Class Year 6

Class Teacher: Miss Shields

WELCOME TO VIOLET CLASS

The purpose of this booklet is to provide you with some general information for your child's forthcoming year in our class. The children have settled well and we hope they enjoy their time in Year 6 with us.

Homework

Our home learning tasks will consist of:

- **Daily reading**
 - Maths
 - Times Tables (TT Rockstars)
 - Spellings
- **Homework Grid (linked to class project)**

Daily Reading: Reading books and planners should be brought into school every day. Reading completed at home should be recorded in their planner. In Key Stage 2 children will earn rewards for their efforts through Accelerated Reading. Once the children complete a book, they will complete an online quiz at school during the 'Accelerated Reading' session.

Maths: There will be two elements to maths homework. Firstly, there will be activities set as 'To Dos' on Purple Mash linked to each area of maths. Secondly, there will be termly 'KIRFS.' Please refer to the separate letter in relation to this.

Spellings: Your child will receive a weekly spelling list focussing on specific word patterns and spelling skills. Your child will need to spend time learning these words over the week ready for their **spelling test** on **Friday morning**. To help them try using the 'Look...say...cover...write...check' method.

Times tables: Your child will also have a 'times table(s)' to practise over the week. The times tables set for practise each week will be on TT Rockstars. Please encourage them to learn them in a random order and also learn the inverse division fact. The 'times table(s)' will be tested on a **Friday morning**.

Homework grid: This includes a range of tasks related to the class project. Tasks can be completed in any order, depending on the time available at home, and completed pieces of work need to be brought into school. The items will frequently be used for display and the children praised for their endeavour!

Thank you for your support with these weekly tasks, they are not always an easy thing to do with a busy family life but any help and interest you can give will have a very positive effect on your child's progress, confidence and understanding.

Our Curriculum

The children will receive daily reading, writing & maths lessons but the other subjects will be taught through our termly class projects.

Each half term, we will follow a theme:

Autumn Term 1 – Natural Disasters.

Autumn Term 2 - The Iron Age.

Spring Term 1 – The Romans.

Spring Term 2 - Ancient Greece.

Summer Term 1 – The Industrial Revolution.

Summer Term 2 - The life cycles of plants and animals.

For their weekly languages (MFL) lessons, the children will be learning Spanish with Miss Crosse. Mrs Jones will be leading the children's PE session on a Monday.

PE:

Please could you ensure that your child has the necessary PE kit and that all clothes are labelled.

PE Kit consists of:

- Coloured t shirt (Team colour)
- Black shorts
- Plimsolls/trainers

Art:

It would be helpful if you could provide an old shirt/top for your child to wear for painting tasks.

Reading:

We use the 'Accelerated Reader' system and the children participate in daily sessions. Books are allocated based on regular assessments (*the results of which will be communicated through the planners*). Books are changed during this session once the children have completed an online book quiz. At home, the children are expected to read each day, preferably sharing a book with an adult, and this should be recorded in their planner.

Important days of the week:

Monday: PE

Thursday: Library

Friday: Spellings & times tables tests
