

## Home Learning Grid

Read It	Write It	Paint It	Build It	Research it
Read the Moths story in 'Topical Tuesdays' on the Heamoor School website. Hold the debate with a member of your family.	Write an extract for an information text, describing the difference between moths and butterflies. Include at least four important distinctions and use contrasting conjunctions such as while, whilst, whereas, conversely, although and however.	Create a moth or butterfly piece of art ensuring that there is a perfect line of symmetry.	A male silkworm moth can smell a female more than seven miles away. Create your own perfume using natural ingredients from your garden or from the environment nearby.	Research and then write a fact file for three to five moths that live in the UK. Include descriptions of their physical features such as size, colour and markings, as well as stating where they tend to live and what they eat.
Read the <i>Neptune Factfile</i> and answer the questions about it. <a href="https://www.heamoorsschool.co.uk/website/science/463157">https://www.heamoorsschool.co.uk/website/science/463157</a>	Create a factfile using the <i>Planet Factfile</i> in this link. <a href="https://www.heamoorsschool.co.uk/website/science/463157">https://www.heamoorsschool.co.uk/website/science/463157</a>	Use the <i>Neptune Factfile</i> to draw/paint/create a collage of what you imagine the surface of Neptune to look like.	Make your own <i>Constellation of stars</i> . Use the 'Constellations' resource for instructions. <a href="https://www.heamoorsschool.co.uk/website/science/463157">https://www.heamoorsschool.co.uk/website/science/463157</a>	Stay up late and do some stargazing. Can you identify any constellations? Use the <i>Night Sky Journal</i> from the website. <a href="https://www.heamoorsschool.co.uk/website/science/463157">https://www.heamoorsschool.co.uk/website/science/463157</a>
Do some extreme reading! Where's the oddest place you can read?	Have a look at the <i>Solar System poster</i> which includes a 'mnemonic' for remembering the order of the planets. Can you come up with one of your own? <a href="https://www.heamoorsschool.co.uk/website/science/463157">https://www.heamoorsschool.co.uk/website/science/463157</a>	Research Andy Goldsworthy and create a picture in his style using sticks, leaves and flowers.	Make your own bird feeder to attract birds into your garden. Use the link below for useful tips. <a href="https://www.rspb.org.uk/birds-and-wildlife/advice/how-you-can-help-birds/">https://www.rspb.org.uk/birds-and-wildlife/advice/how-you-can-help-birds/</a>	Find out about how you can help birds in your local environment. Use the link below to visit the RSPB website for lots of useful information. <a href="https://www.rspb.org.uk/birds-and-wildlife/advice/how-you-can-help-birds/">https://www.rspb.org.uk/birds-and-wildlife/advice/how-you-can-help-birds/</a>
