

Friday 22nd May 2020 - EXAMPLE Plan for the Day

Read for ten minutes

We will be covering split digraphs this week: Can you write a list of words containing the u-e split digraph. (Duke, tune and rude are some examples.) We tell the children that the split digraphs hold hands behind the middle letter.) I have added some examples on the phonics page.

Use the link to play the game 'Time Challenge' on the Phonics and Reading page.

Choose one page of the handwriting to complete on the 'Writing Support Page'

Read the poem on page 26 of the booklet. Can you complete the sentences on page 27?

No White Rose Today. Can you complete the measuring activity on page 23, 24 and 25 of the booklet? If you cannot print the fairies then you could use the palm of your hand to measure instead and record this in your book.

Make a time capsule- you could add photos/pictures/objects and letters.

Listen to chapter 28 of our class story 'Fing' and have a little treat.
