

# Wednesday 3<sup>rd</sup> February 2021

Write a letter, postcard, or invitation from the villagers to the Lighthouse Keeper.

You could mention how you would like to invite him to the next party, or to dinner, or a picnic.

You could talk about how you think he might be lonely, or might need a break from all of his hard work. Or that you want to thank him for looking after sailors and providing a reassuring light for the villagers.
