LI: To infer how a
character is feeling

Today, we're going to watch the whole video again and then focus on the final scene (3:31 until the end).

Infer

What do you think the chimpanzee is thinking/feeling at this point? How can you tell?

P

I think the chimpanzee is thinking/feeling..., because...

E

I think this, because he...

Infer

Write a description of this final scene, WITHOUT using the word 'sad', or 'unhappy'.

You could use your DADWAVERS sentence openers (see some ideas below to get you started).

Bring the scene to life, by mentioning his body language, his face, his thoughts etc.

DADWAVERS word bank

Staring	Mournfully,	Heartbroken
Glancing down,	Miserably,	With a heart full of sorrow,
Dropping his head,	Regretfully,	A tear trickled
