Last Week's Attendance

Our overall attendance figure for last week was **94.1%** and based on the Ofsted grades this would be considered

INLINE WITH NATIONAL AVERAGE

Well done to **BLUE CLASS** for having the BEST attendance figure for last week with 98.8%

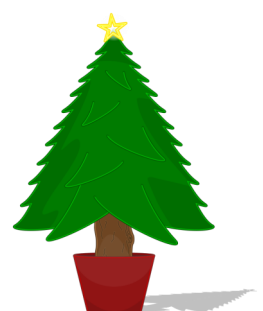

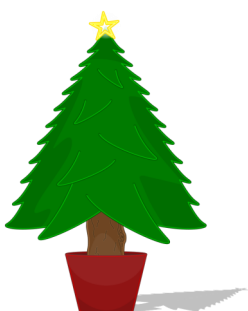

WELL DONE BLUE Class!

Blue Class	97.90%
Violet Class	97.90%
Yellow Class	94.50%
Red Class	94.00%
Indigo Class	92.00%
Orange Class	91.90%
Green Class	90.60%

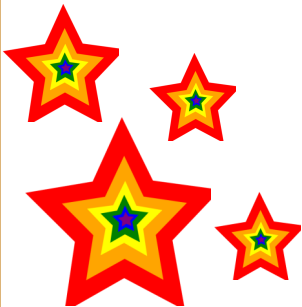

We Need Your Help!

Firstly, I would like to say a huge thank you to the parents who came to help for the Halloween disco. It is the most support we have ever had leading up to a whole school event, and it makes all the difference. Our next big event is the Christmas fayre which this year will be held on Wednesday 11th December from 3:30pm. If there are any parents interested in supporting us then please come along and see Miss Cocks after school this Monday 11th November in Orange class. This will be a very informal meeting, feel free to bring your children along. (I may even find them a biscuit!)

Headteacher Awards

Red Class: William

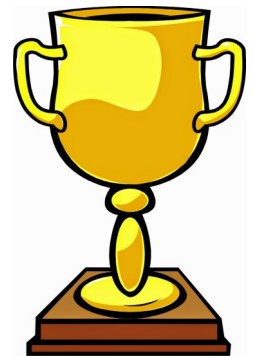

Orange Class: Olivia

Yellow Class: Finleigh

Green Class: Amalia

Indigo Class: Neve

Violet Class: Aoife

The 5R's Weekly Award Winners

Last Week's 5R character was:

Zoe the Zebra

Orange Class: Alfie

Yellow Class: Tyler

Green Class: Louie

Blue Class: Gracie

Indigo Class: Molly

Violet Class: Ruby

Zoe the Zebra

(Relating)

being ready, willing and able to
LEARN ALONE AND WITH
OTHERS

Interdependence

you know how much interaction you need with others to assist your learning, you make informed choices about working on your own or with others

Collaboration

you manage your feelings when working with others, you understand the ground rules of team work, you are able to work effectively as part of a pair or team

Empathy and Listening

you put yourself in other people's shoes to see the world from their point of view, show you are listening by eye contact and body language, hear feelings and thoughts behind someone's words

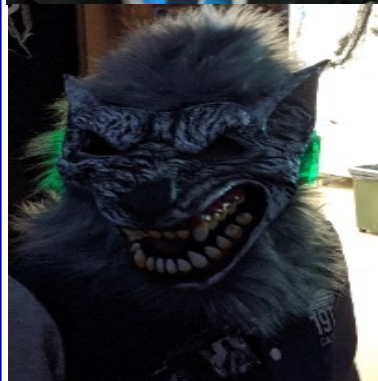

Imitation

you are ready to learn from others, notice the approach and detail of how others do things

Halloween Disco fun

What an amazing night we had at our Halloween disco last Tuesday. The children looked fantastic and there was a great spooky, but friendly atmosphere. We look forward to running it again next year! A BIG thankyou to Mrs Halliday for her hot dogs and yummy biscuits on the night. We would also like to thank John and Liz Anderson for their kind donation of pumpkins for the children to carve.

CHEMISTRY SCIENCE WEEK!

We had a fantastic Chemistry Week at Heamoor last week!

We learned about changing states of matter, which materials dissolve, float and melt as well as completing a range of enquiries including Observation Over Time, Simple and Fair Tests and Identifying and Classifying. The Year 6s became teachers for the day by planning a range of activities and delivering a lesson to a group of children. Year 5 and 6 were also treated to a visitor who explained some very tricky chemistry all about the structure of an atom and the history of the periodic table!

Well done to everyone for their fantastic efforts!

Congratulations to our Super Scientists who have won a prize for their AMAZING Science skills this week!

Green Class visit Geevor Tin Mine!

On Thursday, Green Class visited Geevor Tin Mine to learn about Rocks, their properties, and what life was like in the mines!

Our guides Clint and Mark were so helpful in teaching us new things. We all learnt so much and had the **best day ever!**

A big thanks to Lorna, Matt and Miss Crosse who helped us out!

Lantern Making in Indigo Class

On Wednesday, volunteers from Trengwainton Gardens visited Indigo Class and helped them to make lanterns for the Christmas lantern parade. The children really enjoyed their morning and the lanterns look incredible!

Tickets for the lantern parade are available on the Trengwainton Gardens website. To purchase tickets, use the following link:

<https://www.nationaltrust.org.uk/trengwainton-garden/whats-on>

or you can call the box office on: 0344 249 1895.

Admission is free for National Trust members but you will still need to reserve a free ticket to gain entry.

A Huge Donation!

We were extremely grateful this week when we received a huge donation of Halloween costumes from Tesco in Penzance. Each year they reduce their stock and we were lucky enough to be given all of these! I am sure they will come in very useful next year. We have been discussing the possibility of children borrowing them next year for a small donation. Thank you Tesco!

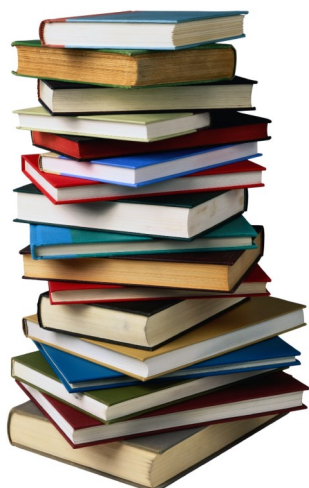

We are collecting!

READ all about it! The Sun is giving away £12 million-worth of books as part of the amazing Books For Schools campaign, which launches this weekend.

The giveaway will see each primary school that signs up receive a FREE box of books containing more than 100 titles, worth £600. Each box will also contain bonus picture book

There's A Snake In My School, by Nol best-selling author David Walliams.

We are taking part! Please ask your family and friends to collect the tokens.

CURRICULUM FOCUS PSHE

We are very lucky to have just started a new scheme of learning called 'Jigsaw'. Jigsaw connects the pieces of Personal, Social and Health Education, emotional literacy, social skills and spiritual development into an easy to use programme.

Designed as a whole-school approach, Jigsaw provides a detailed and comprehensive scheme of learning for every year group in our school.

Our children enjoyed our Jigsaw Launch Assembly on Tuesday this week, where we met all of the cuddly jigsaw pieces for each class. We are looking forward to beginning this scheme of learning across the school next week.

Jigsaw is a unique scheme of work, aiming to prepare children for life, helping them really know and value who they truly are. Jigsaw aims to enable children to understand how they relate to other people in this ever-changing world.

I hope you have found this newsletter useful. Please ask me any questions that you may have about your child's learning with PSHE.

Behaviours That Challenge

Drop In Support Group 2020

- Do you find your child's behaviour challenging?
- Would some friendly support and advice be helpful?

If you would like to be able to talk in confidence and meet other parents with similar challenges, then come along. We are here to help and support you!

- All parents and carers are welcome
