

# Red Class News

Friday 29th March 2019

This week we have been looking at vets within our 'People that help us' and the important role that they play. This has also allowed us to discuss how we can look after our pets to make sure they are safe and happy. Our writing focus has been to write a list of different animals that a vet could help, using the phonics learning we have picked up, and to write a sentence about a vet.

In maths this week we have continued looking at numbers 1-10 and beyond where possible, including ordering the numbers, reading them and then writing them. The children should be very proud of themselves as they are really making progress with this. Next week we will be looking at the role that firefighters play in our lives as well as focussing towards the end of the week on Easter.

## Writing weekend challenge:

Can you write your name?

**Special challenge:** Can you write a sentence that includes the word 'and'?

## Maths weekend challenge:

Can you order numbers from 1-10?

**Special challenge:** Can you order numbers from 1-20?

## Home weekend challenge:

Can you dress yourself without any grown up help?

## Library book shout out!

If you have any school library books at home or still in book-bags please could they be returned as there are a number of books that are outstanding.

Thank you.

## Fire engine visit

On Wednesday next week we have a very special visit from a fire engine. Fire fighters will be coming in to show the children the equipment that they use both on the fire engine itself and on their person. This will be very exciting for the children and will be a fantastic way to round off our 'People that help us' topic.

Please make sure your child has their wellies in school everyday.

Next Friday there is a half-day in school. The morning will consist of an Easter raffle and other Easter-related activities whilst in the afternoon the pick-up time for children is 1:30pm.

Have a lovely weekend,

Mr Savage, Miss Graham, Mrs Rudlin and Miss Reeves.
