

Home Learning Grid - Violet Class

Read It	Write It	Paint It	Build It	Research/Do it
Using a blank map, label all the countries you can from memory. Then read an atlas/look at a globe and learn the ones you missed/got wrong. Using another blank map, give it another go. Did you improve?	Imagine an emotion as an animal and write a poem including as many poetic techniques (personification, simile, metaphor, rhythm, alliteration etc.) as you can. For example: Sadness slithers through my veins, snaking it way into my stomach until I feel weighed down by sorrow.	Draw a celebration poster (celebrating whatever you want!) Make it as colourful and exciting as you can!	Create a 3D food chain!	Conduct research about the Periodic Table e.g. who created it and what each part means
Read about Charles Darwin	Write a story about your 'first day' (it could be your first day at school or first day on a team or first day of lockdown). Include details and feelings.	Make a wordsearch using only words beginning with one letter e.g. S = summer, sushi, synonym	Create a habitat for any animal	Create a What am I question game (on Purple Mash or on cards)
Read and compare different stories of creation from different religions. What is similar/different?	Write a set of instructions about how to find buried treasure	Create a treasure map	Create a set of lungs from any material	Research how human lungs work and how humans respire
