

STRAW PLANES

You will need:

- The paper strips, left and below
- Some paper straws
- Scissors
- Sticky tape

What you do:

1. Cut out the paper strips.
2. Loop the shapes marked A and secure with sticky tape.
3. Fold along the dotted lines of B, C and D and secure with sticky tape.
4. Stick an A loop to one end of each of the three straws.
5. Stick B, C and D to the other ends of the straws.
6. Your flying machines are ready to throw!
