Watch the opening scene from The Lighthouse film until 43 seconds.

Ask an adult to help you if you get stuck finding the right place.

Bring the scene to life!

Describe the setting so far in the opening scene of 'The Lighthouse'. (Remember to use different sentence starters!)

Make sure you include these details to bring your description to life!:

What can you see?

What can you hear?

The weather/season

Time of day

Imagine you are stood somewhere in the scene - how might you feel?

Where (prepositions) are things in the scene?

Can you use similes to describe the sea?

TOP TIP : Use the POWER OF 3 sheet (saved on the website) to help improve your description.
