

# Green Class Homework Grid

## Autumn Term 2019

Read it!	Write it!	Paint it!	Build it!	Do it!
Choose five mountains from around the world and find out how high they are.	Write a story with the focus being on plastic pollution.	Paint an image of an animal that is not found in the United Kingdom.	Reuse recycled goods by creating something new.	Find out all the countries you and/or your close family have visited. Which place was your/their favourite? Why?
Time Value: 1 Hour	Time Value: 2 Hours	Time Value: 1 Hour	Time Value: 1 Hour	Time Value: 1 Hour
Find out 5 facts about a country of your choice.	Write a list of questions that you would like to find out about another country.	Paint a map of the world.	Build a famous structure from somewhere in the world. This can also include the UK.	Choose a country of your choice. Explain how you could get there. Would you cross oceans? Or stop off in other countries?
Time Value: 1 Hour	Time Value: 1 Hour	Time Value: 1 Hour	Time Value: 3 Hours	Time Value: 1 Hour
Research and read up on the capital cities of the world.	Write a list of all the amazing things you have experienced in the country you were born in.	Draw the human skeleton. Can you label any bones?	Create a nutrient pyramid labelling all of the main nutrient groups.	Create a meal that is a traditional dish from another country.
