

# Red Class News

Friday 5th April 2019

It has been our final week looking at people who help us and it was rounded off nicely by looking at firefighters. We were lucky enough to have a visit from a fire engine and the children took turns in sitting inside it, blasting the hose across the playground and listening to the siren. It was very exciting and the children all really enjoyed the experience.

Following this we've been looking at Easter and had a very exciting Easter egg hunt in our outdoor area. The children were given 3 polystyrene eggs to find with their names on from which they could exchange for a chocolate egg. The eggs were hidden by the Easter bunny herself which added to the excitement.

Following the Easter break we will be focussing on **Dinosaurs** for our next topic.

## Writing weekend challenge:

**Special challenge:** Can you write a sentence that includes the word 'and'?
