Plants and Animals

Read It	Write It	Create It	Build It	Do It
Find a Non- Fiction book about animals at the library.	Write a fact file about an animal of your choice.	Create your own model of a rockpool.	Build a bee hotel or visit one and take a photo.	With an adult, search the internet for weird and wonderful plants. Make your very own plant book!
Read some facts about Bees and why they are important.	Write an animal based story of your choice using five adjectives.	Press flowers between the pages of a book and use them to make gifts for your family or friends.	Make a bird feeder.	Visit a local garden centre and buy a herb. Can you add it to a recipe?
Bring in your favourite fiction book about an animal. (e.g. - The Hungry Caterpillar)	Write a list of fruits pollinated by honey bees.	Create a poster explaining the importance of bees.	Using junk modelling make an animal of your choice.	Go on a flower hunt, how many different colours and varieties can you find? Take some photographs.
